

# Gather at the Grove

## **We are excited to launch the latest offering in our Know Your Grower series - Gather at the Grove.**

Are you seeking knowledge or inspiration this season? Would you like to connect the farm to the finish in your planting projects? Join us in the field for a trek through the trees and experience firsthand how we grow SGN Trees. Gain the expertise you need to plant trees that flourish in the landscape. Cultivate a connection to the farm so you can share that heritage with your customer or community. Grab your boots and bring your team - let's Gather at the Grove this season!

### Who?

Green Industry friends who love trees!

### What?

Trek through the trees, production demos, collaborative in-house seminar, optional lunch and/or hikes in nearby woods, cool SGN swag, and unlimited coffee!

### Where?

Spring Grove Nursery Farm, Mazon, IL

### When?

That's up to you! Call us to customize a visit that fits your schedule and team goals.

### Why?

Gain an edge on your projects, breathe in farm fresh air, connect the farm to the design, get your boots dirty, drink coffee, know your grower, gain CEUs, take cool instagram pics, see new trees growing for the future - so many possibilities! What is your WHY? Gather at the Grove with us this season to find it!

**We look forward to sharing our passion for trees with you this season. Call or email us to get growing!**
