

## Species Diversity Selections

At Spring Grove Nursery, we are proud to grow a diverse & superior selection of trees in our nursery. We work hard to select a mix of trees that are well suited for our landscape and offer a unique palate of colors & textures throughout the seasons. Our tree mix changes a bit every season, and we are always looking for new varieties to add to our nursery. We seek out the best liner suppliers to partner with so that we can ensure that the trees we plant are of the best quality and heritage.

Some of the trees on our list are ready to harvest now, and some are still growing in the field. Please check with us for the most current availability with pricing.

### SHADE & ORNAMENTAL TREES

# **Tried & True Selections**

## **Spring Grove Nursery**

Highlighted below is a list of trees we have found to perform well in our nursery and in the landscape. These trees thrive in our fields despite the extreme climate fluctuations we have experienced in recent years. We are always evaluating which selections seem to flourish despite a wide range of extremes, yet still offer ornamental interest in the landscape. Everything we grow here at the nursery is worth merit, or we would not grow it! These are just a few selections that have caught our attention in recent years:

- Redpointe Red Maple
- State Street Maple
- Sun Valley Red Maple
- Fall Fiesta Sugar Maple
- Autumn Brilliance Serviceberry
- American Hornbeam
- Northern Catalpa
- Common Hackberry
- Eastern Redbud
- Perkins Pink Yellowwood
- Skyline Honeylocust
- Espresso Kentucky Coffeetree
- Royal Raindrops Crabapple
- Exclamation London Planetree
- Swamp White Oak
- American Dream Oak
- Regal Prince Oak
- Kindred Spirit Oak
- Streetspire Oak
- Shingle Oak
- Heritage Oak
- Bald Cypress
- Redmond American Linden
- Princeton American Elm
- Accolade Elm
- Triumph Elm
- Vanderwolf's Pyramid Pine
- Norway Spruce
