

GATHER *at the* GROVE

Looking to deepen your knowledge or spark new inspiration for the season? Join us in the field for an up-close journey through our trees, where you'll see firsthand how SGN Trees are grown and gain the insights to make your planting projects truly thrive.

Connect with the farm's heritage and take that story back to your customers or community. Bring your boots—and your team—and let's **Gather at the Grove** this season!

Who?

Green Industry enthusiasts with a passion for trees!

What?

Enjoy a day in the trees! Join us for production demos, an engaging seminar, SGN swag, unlimited coffee, and optional lunch and nature hikes in the beautiful nearby woods.

Where?

Spring Grove Nursery Farm, Mazon, IL

When?

You decide! Contact us to schedule a visit tailored to your team's needs and goals.

Why?

Gain a competitive edge on your projects, breathe in fresh farm air, connect your designs to their roots, earn CEUs, snap memorable photos, and explore new tree varieties for the future. What's your "why"? **Gather at the Grove** with us this season to discover it!

We're excited to share our passion for trees with you this season! Contact us to start growing together!
