

ACER SACCHARUM 'BAILSTA'

Fall Fiesta Sugar Maple

Height: 50'

Spread: 30'

Growth Rate: Medium

Shape: Broadly round

Foliage: Dark green

Fall Color: Orange, red, and yellow

Flower: Greenish-yellow

Fruit: Samara

Distinctive Features: Mix of colors in the fall

The Fall Fiesta Sugar Maple's colors of orange, red, and yellow explode in autumn. This Sugar Maple is one of our favorite cultivars of a great native species. We consider this one to be another "Tried & True" favorite!

Midwest Native

SGN Tried and True

GROWER'S NOTE: Fall Fiesta is one of our favorite Sugar Maple varieties because it has a consistent fall color and good branching structure. We have a soft spot in our hearts for Sugar Maples. One of our all-time favorite trees is the mature Sugar Maple in our home backyard!
