

ACER TRUNCATUM X A. PLATANOIDES 'WARRENRED'

Pacific Sunset® Shantung Maple

Height: 30'
Spread: 25'
Growth Rate: Medium
Shape: Upright spreading

Foliage: Dark green, glossy
Fall Color: Orange-red
Flower: Greenish-yellow
Fruit: Samara

Distinctive Features: Glossy green leaves all summer turn to a colorful fall display

The Pacific Sunset® Shantung Maple is another great J.Frank Schmidt Nursery introduction. This hybrid Maple brings the best of 2 trees – the Shantung and Norway Maples. The outstanding glossy green foliage turns magnificent shades of yellow, orange, and red in the fall. The small-medium size of the tree makes it an excellent choice for the landscape and wins our "Tried & True" status!

SGN Tried and True

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
