

ACER X FREEMANII 'BALISTON'

Matador™ Maple

Height: 45'

Spread: 30'

Growth Rate: Fast

Shape: Upright oval

Foliage: Bright green

Fall Color: Deep red

Flower: Red-yellow,
insignificant

Fruit: Samara, few

Distinctive Features: First Editions selection with deep red fall color later in the season

Matador™ Maple, a new variety from Bailey Nurseries' First Editions® program, is a superior shade tree with upright form and symmetrical branching. It turns a deeper red in the fall than Autumn Blaze, gains its fall color a bit later, and holds onto its leaves longer.

Midwest Native

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
