

# BETULA NIGRA 'CULLY'

## Heritage River Birch

**Height:** 40'

**Spread:** 20'

**Growth Rate:** Fast

**Shape:** Broadly  
pyramidal

**Foliage:** Green

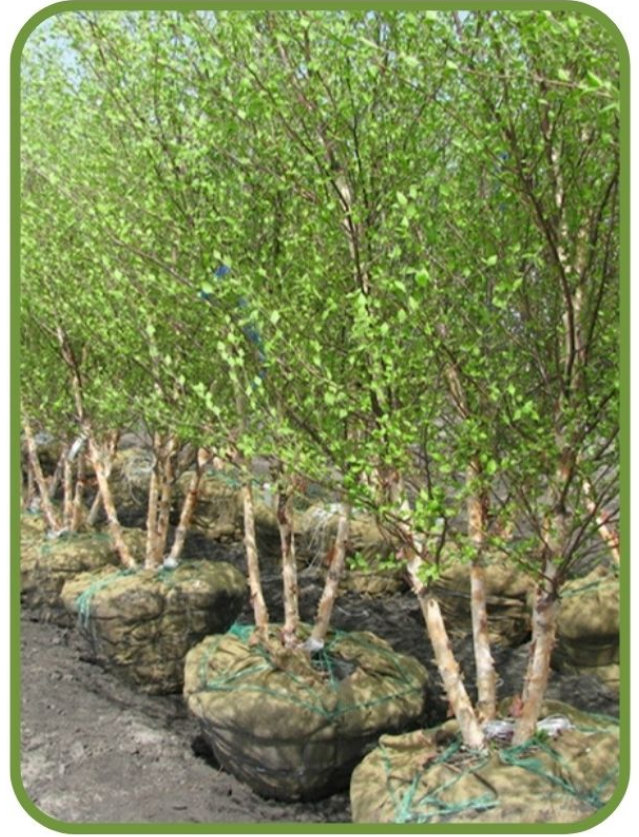

**Fall Color:** Bright yellow

**Flower:** Catkins

**Fruit:** Nutlet

**Distinctive Features:** Peeling bark shows off patchy creamy tan layers underneath

The Heritage River Birch is a Heritage Trees Introduction bred to have a more oval form. The creamy color bark exfoliates and becomes mottled with age. Bright green leaves turn a golden yellow in the fall.

Midwest Native

*GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!*
