

CARPINUS CAROLINIANA 'JN UPRIGHT'

Firespire American Hornbeam

Height: 20'

Spread: 10'

Growth Rate: Medium

Shape: Narrow/Upright

Foliage: Green

Fall Color: Orange-red

Flower: Catkins 1-2" long

Fruit: Nutlet

Distinctive Features: Fantastic fall color highlighted by smooth, gray bark and tight form

The Firespire American Hornbeam is an amazing tree; the fall color is truly on fire! Another selection from Mike Yanny at Johnson's Nursery, this small native delivers beauty and habitat in every season. On top of that, it grows in a wide range of conditions and thrives in our Midwest landscape.

Midwest Native

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
