

CRATAEGUS VIRDIS 'WINTER KING'

Winter King Hawthorn

Height: 20'
Spread: 25'
Growth Rate: Medium
Shape: Wide vase shape spreading
Foliage: Dark green, glossy
Fall Color: Orange
Flower: White
Fruit: Orange-red berry clusters

Distinctive Features: Bright orange berry cluster in winter

Winter King Hawthorn, one of the best Hawthorns, has four seasons of interest. White flowers in the spring are followed by orange berry clusters in the fall. The fruits hold on into the winter and the striking architecture of the branches is accented by the silvery exfoliating bark.

Midwest Native

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
