

FAGUS GRANDIFLORA

American Beech

Height: 50'

Spread: 40'

Growth Rate: Slow

Shape: Broadly oval

Foliage: Green, glossy

Fall Color: Bronze

Flower: Insignificant

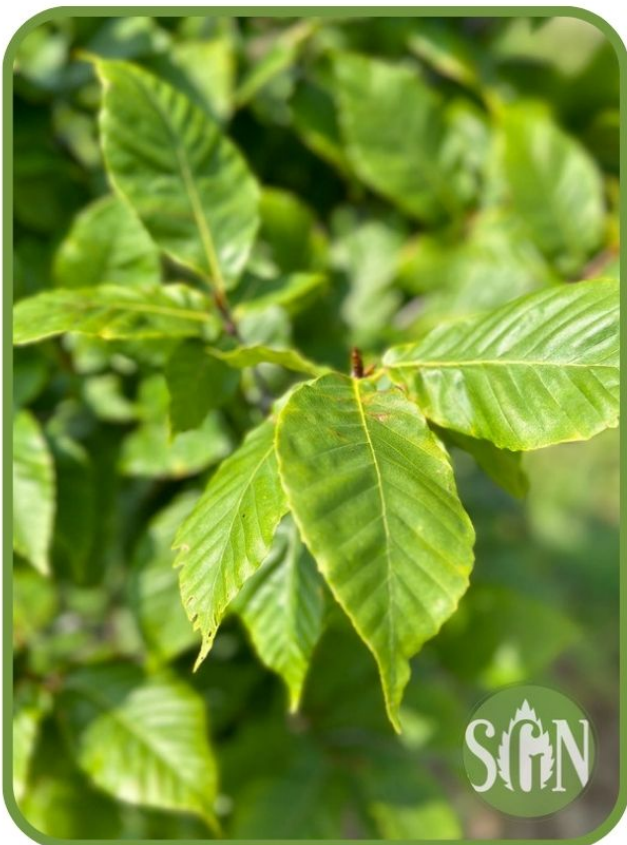

Fruit: Nut

Distinctive Features: Large & graceful with distinctive smooth grey bark

The American Beech provides great shade and is a large, graceful native with silver-gray bark. Dark green foliage turns bronze in the fall. A slow grower, the American Beech is a versatile tree for future generations to enjoy.

Midwest Native

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
