Distinctive Features: Golden yellow in fall

The Autumn Gold Ginkgo is an excellent selection for a variety of uses, including lawn, street or shade tree. The unique fan-shaped green foliage turns a striking golden in the fall that lasts for several weeks. The leaves drop rapidly, forming a golden carpet around the tree. Symmetrical branching adds to the landscape in the winter months.

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
