Distinctive Features: Fern-like feathery foliage with distinctive reddish-brown bark

Dawn Redwood is a fast growing deciduous conifer with bright green needles and a rusty orange fall color. The texture this tree provides to the landscape is unmatched!

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
