

PRUNUS SARGENTII 'JFS-KW58'

Pink Flair[®] Cherry

Height: 25'

Spread: 15'

Growth Rate: Medium

Shape: Upright vase shaped

Foliage: Dark green

Fall Color: Orange-red

Flower: Pink

Fruit: Blue-black drupes

Distinctive Features: Pink flowers are showy against the shiny dark bark

Pink Flair[®] Cherry is another worthy J. Frank Schmidt introduction. It is a narrow and compact tree well suited for the urban landscape. Pink Flair[®] is a hardy choice because it avoids frost damage by flowering a bit later than other cherries. The fall color is orange-red and the handsome deep cherry colored bark gives winter interest. The tree is covered in delightful pink spring flowers.

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
