Distinctive Features: Excellent street tree, can handle alkaline soils

Chinkapin Oak is a durable Oak that performs well in alkaline soil. It has attractive dark green sharp toothed leaves and a striking silvery gray bark.

Midwest Native

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
