

At Spring Grove Nursery, we bring our expertise and knowledge as Growers to help

CURATE *The Canopy*TM of your local community!

GATHER

You and your team are invited to **Gather at the Grove** to get to know your SGN Growers, tour the farm, and hand-select your trees.

CURATE

At SGN Trees we do more than just grow your trees. We get to know you and your community to **Curate your Canopy** and add diversity to your urban forest.

GROW

From our field to your community, we take pride in growing high quality, specimen trees that will **Grow a Legacy** for generations to come!

At SGN Trees, we grow healthy trees, deep roots, and strong communities. We look forward to growing for you!
