

MAACKIA AMURENSIS

Amur Maackia

Height: 25'

Spread: 20'

Growth Rate: Slow

Shape: Upright vase

Foliage: Green

Fall Color: Yellow

Flower: White flowers in late Summer

Fruit: 2-3" long pods

Distinctive Features: Attractive white flowers and bronze bark - nitrogen fixer

Amur Maackia is a compact and rounded tree. It is well suited in tough conditions for its flood and drought tolerance.

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
