Great Wall Japanese Tree Lilac is a compact tree with showy flowers in late spring and glossy green foliage. It has good pest and disease resistance and is adaptable to many conditions.

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
