

LEGACY Trees SIGN

HONOR AND CELEBRATE YOUR LOVED ONES WITH A LIVING LEGACY

Memories to Last a Lifetime

Planting a tree provides beauty, environmental and health benefits, and is a living legacy for generations to come.

Whether you are:

- ***Celebrating*** a special occasion such as an engagement, wedding, anniversary, or baby shower
- ***Honoring*** an outstanding accomplishment like a college graduation, new job, homeownership, retirement, or
- ***Memorializing*** a loved one who has passed

By planting or gifting a Legacy Tree, you will not only be providing a lasting memory, but beautifying your community at the same time. Trees truly make our world a better place!

Selecting & Planting Your Legacy Tree

Here at Spring Grove Nursery we offer:

- Over 100+ varieties of shade, ornamental, and evergreen trees
- A range of sizes from large B&B trees to smaller, potted trees
- Gift certificates of any amount to be used at any time
- Legacy Tree memorial service ideas, plaques, and certificates

Trees can be picked up and planted yourself with the proper equipment. We also work with our partner family business **iTrees.com** to deliver & plant trees all around the Chicagoland and Northern/Central Illinois region.

Legacy Trees can go in a variety of places and we would love to hear your ideas! Some examples to get you thinking include:

- Church or school grounds
- Cemetery or memorial spot
- Public parks or private property

How do I get started?

Just contact Spring Grove Nursery and we will help you find the perfect Legacy Tree to grow for generations to come!
