

BETULA POPULIFOLIA 'WHITESPIRE'

Whitespire Birch

Height: 30' **Foliage:** Glossy dark green
Spread: 20' **Fall Color:** Bright yellow
Growth Rate: Medium **Flower:** Catkins
Shape: Pyramidal/oval **Fruit:** Nutlet

Distinctive Features: Striking white-gray bark with golden yellow fall color

Whitespire Birch is a nice narrow pyramidal size with chalky white bark that looks great all season long. The bright green leaves rustle in the wind and turn the brightest yellow in the fall. Another standout feature are the catkins that grace the tree in the summer.

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
