

CORNUS MAS 'GOLDEN GLORY'

Golden Glory Corneliancherry Dogwood

Height: 20'

Spread: 15'

Growth Rate: Slow

Shape: Upright oval

Foliage: Dark green

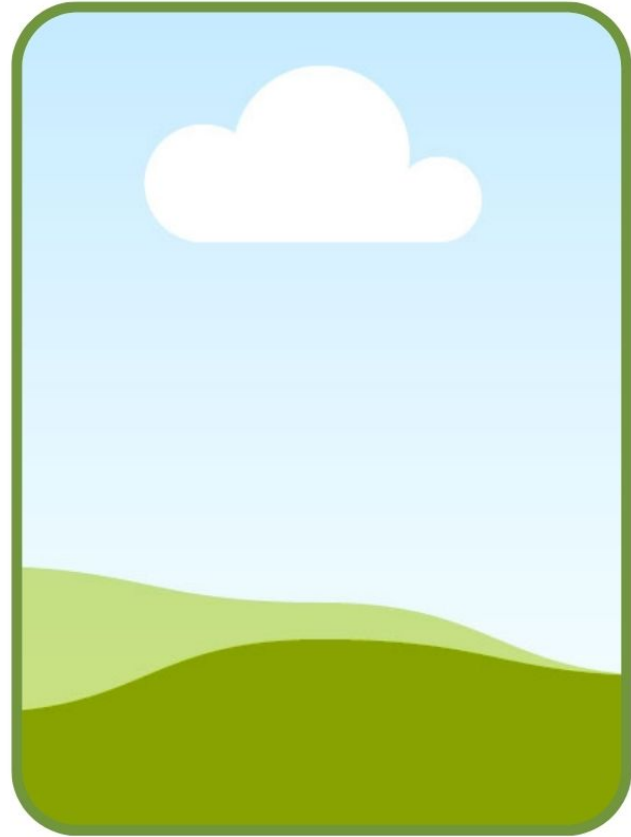

Fall Color: Red

Flower: Yellow

Fruit: Red oblong drupes

Distinctive Features: Early Spring yellow flowers

Golden Glory Corneliancherry Dogwood is a beautiful specimen with multiple season interest. Yellow flowers pop before the leaves in early March, followed by bright red edible fruits that attract birds. The glossy green foliage turns red in the fall.

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
