

SYRINGA RETICULATA 'BAILNCE'

Snowdance Lilac

Height: 18'

Spread: 20'

Growth Rate: Medium

Shape: Vase shaped,
spreading

Foliage: Dark green

Fall Color: Insignificant

Flower: Creamy-white,
fragrant panicles 6-12"
long

Fruit: Fruitless

Distinctive Features: First Editions selection
with heavy flowering in early summer

The Snowdance Japanese Tree Lilac is a heavy bloomer that is disease resistant. A First Editions introduction from Bailey Nurseries, this selection grows well in group plantings or as a standalone tree.

GROWER'S NOTE: At SGN Trees, we grow healthy trees, deep roots, and strong communities. Our philosophy of growing stems from our core values and guiding principles of stewardship, hard work, honesty, simplicity, and diversity. We hope you will join us this season as we cultivate deeper roots and relationships that will grow for many years to come!
